Blackbear

You know I was down for you, down for you
Now I'm wishing I neverI'm in the shit I can't get out of, I ain't proud of
I'm running out of time to hold you close
I'm running out of time to be your man, yup
I'm just lost in the moment, yeahI'm running out of time to hold you down
Running out of time to be your man, yeah
I'm just lost in this moment, yeah
I've been zonin'You know that I could get you more, a little more
Whatever you need, what you need
I could get you more, a little more
Whatever you need yeah yeah yeahYou thought I wouldn't come around to you, around to you
You know I was down for you, down for you
Now I'm wishing I never bowed to you, bowed to youHate the sound of all these songs about you, songs about you
You know I was wrong about you, wrong about you
Let you hold onto this cash, let you hold ontoI'm in the shit I can't get out of, I ain't proud of
I'm running out of time to hold you close
I'm running out of time to be your man, yup
I'm just lost in the moment, yeah
I'm just zonin'
I'm running out of time to hold you down
Running out of time to be your man, yeah
I'm just lost in this moment, yeah (oh lost)
I've been zonin'You know that I could get you more, a little more
Whatever you need, what you need
I could get you more, a little more
Whatever you need
I could get you more, a little more
Needed you the most
I needed you
When i needed you the most
I needed you the more
I won't be there to give you what you need
I won't be there, no no no
And if you can't see what is in front of you, you lose
And if you can't see what is in front of you, you lose
And if you can't see what is in front of you, you lose
And if you can't see what is in front of you, you lose

And if you can't see what is in front of you, you lose
