The Only One

Doug Anderson

VERSE 1
There will be hurt and some sorrow
While traveling down this road called life
But don't give up cause tomorrow
Will bring some joy and sunlightKeep truckin'/going down the straight and the narrow
No need to turn left or right
Cause He has always been with you
At every dead end you'll find
CHORUS
The only one, the only one
He is the only one that you'll ever need
So trust His ways and keep the faith
In Him alone, God's only Son, the only oneVERSE 2
He'll never leave or desert you
You are the apple of His eye
And if He finds that you're drifting
He'll chase you down every timeNo need to feel so unworthy
He never runs out of grace
His loving arms are wide open
And you can find in this placeREPEAT CHORUS
BRIDGE
The one who's closer than a brother
The one who died on CalvaryREPEAT CHORUS
