I Just Can't

Faith Evans

1 - I just can`t help feeling the way I feel
Just let me show you this love is real
I just can`t help feeling the way I feel
The things you do to me
Boy I love youThe time has come for me to show
Show that I care for your soul
No one makes me feel the way you do
And I`ll never let you goRepeat 1You know my love for you is strong
I loved you for too long
Now it`s time for you to realize
That you`ll always be in my heart2 - And I love the things you do for me
You give me so much joy
Boy, you know all I need is you
You mean the world to me
And it`s plain to see
That boy I love youRepeat 1Repeat 1Repeat 2Repeat 1
