

Ultraviolence

Cliff Lin

Who saw those dark eyes?
Who saw those dark eyes?
 These years gone by
Deep withinBurn my skin
 All those years gone by
 In the heat of the night
All those years gone byWho felt those cold hands?
 Who felt those cold hands?
 Touch my skin
 Deep withinBurn my soul
Fell to the ground where I was found
 All those years ago
 All those years ago
All those years agoEverybody makes mistakes
 Everybody makes mistakes
 Even me
Just be freeThis is a place where in the end
 It happens in our world within
 Time to go
 Time to go
