

Sittin' on Chrome

Masta Ace Incorporated

[Repeat: x8]

Sittin' on chrome[Chorus]

He once was a dog from around the way [so you better take it]

Eazy! [and I'm sittin' on chrome]

He once was a dog from around the way [so you better take it]

Eazy! [and I'm sittin' on chrome]I just got paid

It's Friday night

I'm sittin on chrome

And I'm feelin alrightTake it EZ, like E 'cause I be

Lettin' niggaz know what time it is when it comes to me

You can't find us here anywhere and I tear

you a new asshole, as beautiful as gold

Look at your reflection in my shine, find

pissy hallways are always on my mind

But not tonight, I'm sittin' on chri-dome

Makin' more waves than my cellular phi-done

Mental energy from within keeps me higher

than anything rolled and set on fire let me try a

little somethin' new, grand 'cause what I am

is mathematic, I must to blow your static if I can

I.N.C., Crew I thought you knew

That's how you do well check it this is how I do[Chorus]I'm sittin' on see-H, are-O-M-E

Sippin' Brass Monkey, Digga got the Remi

Martin I'm startin' to feel like I want to

Hit the strip spot and I think that I'm gonna

I see my nigga Jose, "Mida, que pasa?"

We goin' to the spot, need a ride? I gotcha

So come on in, come on in, come on in

It's like fire when you see my chrome spin

I paid the valet, I stepped to the stage

I think I want to play with the girl in the cage

Lap dance, lap dance, lap dance

Baby look I got trouble in my pants

I just checked my wallet, no more dough

I just paid your rent and now I gotta go

She did me till I's done, smooth like Bally

I walked outside, they said that they ain't got no valet

Somebody caught me slippin', dipped with my ride

But we gonna catch they ass on the be-Side[Chorus]

I just got paid
It's Friday night
I'm sittin' on chrome
And I'm feelin' alright You can't I-N-see me, the
Ace nigh, so be ghost like Amityville horror,
Till tomorrow, you're done
So jet like Delta, I'm Fly like the Nun
My mental state's, more Great than the Lakes
I'm Superior, it's Erie how I breaks
Niggaz down, with the sound as I shine
One time, and the chrome is the mind [Chorus]
