## Avey Tare's Slasher Flicks

We shake it in the park today, forget ourselves and dance 'til horizon  
Avoiding a mousetrap fashioned for us everydayStood round that bush, OK, let the good ol' kids unwind  
without you  
Oooh, the mouse's got news that you can't escapeAnd the words that passed us today try to be fast when it  
comes back to you  
When there's so much more that I could sayFeelin' sorry about today, left those words where they should say  
But I decided that those words weren't O.K.Where would we we speak with pride and make no sound and we  
would not rideWhere would we sit so still and just peak out of window sill, no!  
Wanna get out that ride, take us on a whole new rideWhen would we sit so quiet and make no sound and we  
will not ride  
When would we sit so still and just peak out of your windowsill, oh!  
Wanna get up and hide, take us on a whole new ride, go!We shake it on the moon today, forget our sucks and  
forget about horizon  
Avoidin' a mousetrap fastened for us everyday  
Mmmm, is around that gust, OK? with some good ol' friends who do not doubt you  
Ooh and the mouse's got news that you can't explain  
Where spirits that will help you (Will they come tonight?)  
Where spirits step inside (Will they come tonight?)The spirit of all the world where it reaches and into the  
Edges of the moon as so far as  
Clear as I can see or eat or  
Agree with a hand in this union  
But there's nothing that will not be that isn't, and  
We are wont to see that but then there might  
Be more to fear and believe than the  
Coming of the sea  
The spirit of all the world where it reaches and into the  
Edges of the moon as so far as  
Clear as I can see or eat or  
Agree with a hand in this union  
But there's nothing that will not be that isn't, and  
We are wont to see that but then there might  
Be more to fear and believe than the  
Coming of the sea  
We shake it in the park today, forget ourselves and dance 'til horizon  
Avoiding a mousetrap fashioned for us everydayStood round that bush, OK, let the good ol' kids unwind  
without you  
Oooh, the mouse's got news that you can't escape
