

Hearts Alive

Mastodon

Taken down with hearts alive
Our hearts alive
Lurking dark underground
Descend to the bottom
Swim below eternally
Into the Deep Blue Sea
Time and space, all alone
It can be a lonely place
There it goes, opening up
I can't stand, I can't breathe
Rolled fin out
Oil stripped
Hold is filled
Ocean coil, water boils
He swims to the surface
Flame from mouth, smoke he breathes
Enter the caverns of the deep

Time and space, all alone
It can be a lonely place
There it goes, opening up
I can't stand, I can't breathe
Terrified, ghastly cry
Spiraled lives
Taken down
Taken down
The iron side
Bucket of lead
Battle is she
Not for defeat
The iron side
Bucket of lead
Battle is she
