Call Me (come Back Home)

[Al Green](#)

Call me
Call me
Call me
What a beautiful time we had together
Now it's getting late and we must leave each other
Just remember the time we had
And how right I tried to be
It's all in a day's work
Call me
Losing your love, acting foolishly
Go on and take your time
'Cause you're already losing me
Love is a long ways from here
Tell you it's all in the way you feel
If love is real, come to me
Call me
Call me
Call me
Come back home
The best thing I can do is give you your love
That you're goin' away, feeling as free as a dove
If you find you's a long way from home
And if somebody's doin' you wrong
Just call me baby
Come back home
Call me
Call me
(Come back home)
Call me
(Come back home)
Call me
Ain't things goin' right
Yeah it's all in a day's work
Call me
When you call me
You can call me when you're feelin' sad, baby
Ohh yeah
It's all in a day's work
Come back home
