

# Radio

## The Corrs

Huh yea yeaIt's late at night  
And I'm feelin' down  
There're couples standin' on the streets  
Sharin' summer kisses and silly soundsSo I step inside  
Pour a glass of wine  
With a full glass and an empty heart  
I search for something to occupy my mindBut you are in my head  
Swimming forever in my head  
Tangled in my dreams  
Swimming foreverSo I listen to the radio  
(Listen to the radio)  
And all the songs we used to know  
(Listen to the)  
So I listen to the radio  
(Listen to the radio)  
Remember where we used to goNow it's mornin' light  
And it's cold outside  
Caught up in a distant dream  
I turn and think that you are by my sideSo I leave my bed  
And I try to dress  
(And I try to dress)  
Wondering why my mind plays tricks  
And fools me into thinking you are thereBut you're still in my head  
(Head)  
Just swimming forever in my head  
Not lying in my bed  
Just swimming foreverSo I listen to the radio  
(Listen to the radio)  
And all the songs we used to know  
(Listen to the)  
So I listen to the radio  
(Listen to the radio)  
Remember where we used to goSo I listen to the radio  
(Listen to the radio)  
And all the songs we used to know  
(Listen to the)  
So I listen to the radio  
(Listen to the radio)  
Remember where we used to goUmm

You are in my head swimming forever So I listen to the radio

(Listen to the radio)

And all the songs we used to know

(Listen to the)

So I listen to the radio

(Listen to the radio)

Remember where we used to go I listen to the radio

(Listen to the radio)

To all the songs we used to know

(Listen to the)

I listen to the radio

(Listen to the radio)

To all the songs, all the songs we used to know Yeah

(Listen to the radio)

(Listen to the)

All the songs we used to know

(Listen to the radio)

Yeah

All the songs we used to know

Yeah
