

All for One

[Diana Ross](#)

All for one and one for all
You live, you give, you have a ball There's no need to live on an island
'Cause everyone here respects your opinion
It all adds up to, it's your strength we need
So get behind and push, if you don't want to lead 'Cause it's all for one and one for all
You live, you give, you have a ball I don't know your future plans
But divided I'm sure you will not stand
I said, All that to say there's an easier way
If it's love that we share then there's no debt to pay 'Cause we are all down here under the sky
Won't you try? Won't you try? We're all down here
You're not alone
You've been pushing and pulling and shoving
Since the day you were born so let's try All for one and one for all
You live, you give, you have a ball And a smile will appear on your face
'Cause suddenly, suddenly the world is a beautiful place 'Cause it's all for one and one for all
You live, you give, you have a ball All for one and one for all
You live, you give, you have a ball
