

# In a Manner of Speaking

## Brazil

In a manner of speaking I just want to say  
That I could never forget the way  
You told me everything  
By saying nothing In a manner of speaking I don't understand  
How love in silence becomes reprimand  
But the way that I feel about you  
Is beyond words Oh give me the words, give me the words  
But tell me nothing  
Ooh give me the words, give me the words  
That tell me everything In a manner of speaking, semantics won't do  
In this life that we live we only make do  
And the way that we feel  
Might have to be sacrificed So in a manner of speaking, I just want to say  
That just like you, I should find a way  
To tell you everything  
By saying nothing Oh give me the words, give me the words  
But tell me nothing  
Ooh give me the words, give me the words  
That tell me everything Oh give me the words, give me the words  
But tell me nothing  
Ooh give me the words, give me the words  
That tell me everything
