Wrong Turn

Johnson, Jack And Friends

And I'll wait here a while
Just long enough to be sure
That you didn't make a wrong turnAnd I'll wait long enough
Maybe an hour or two
Before I decide it wasn't me, it was you
It wasn't me it was youAnd I would like you to know
Although it seems sad to say
This was only the worst hour of my day
The worst hour of my dayHow long has it been on your mind?
Do you think about it when we laugh?
I think that it's a big mistake
Because I think that we could make it lastEven if it's just for a while
I'll wait here for now
Just long enough to be sure
That you really wanna go through with this'Cause I don't really wanna go through with this
Do you really wanna go through with this?
