Long Division

Slow Runner

This is long division,
This is long division,
This is long division.This is only a maybe,
Just half of a story
This half of the message,
Lost in the wreckage.This is long division,
This is long division,
This is long division.You get the ocean,
I get the mountain.
You get the west coast,
I get the lamp post.This is long division,
This is long division,
This is long division.Just a nagging insistence,
the full weight of the distance.
This is half of the promise,
Scratched on the surface.
Fools rush in, although we peel apart so slowly
Like a song that makes you miss the very thing that breaks you.This is long division,
This is long division,
This is long division,
This is long...
