Brightside

Turn Off The Stars

I live but only for today
'Cause I died but that was yesterday
But doubt is such a lonely place
When faith is half the world away
Just come away

'Cause you know the sun is gonna shine
For yours and for mine, just leave it all behind
And I know when I see it in your eyes
You need freedom from this life
Just take it to the brightside

Well, I live just to see you smile
But I know that it could take a while
But I loved, I loved you all the while
And for you, you know I'd walk for miles
