

Storm In My Heart (New Recording)

Colin Hay

Sometimes I wonder
Sometimes I cry
I still go under
I don't know why
Like a
Storm in my heart
Tearing me apart
Storm in my heart
About you
Sometimes the sun shines
Here comes the flood
Through both the good and the bad times you do
Stir up my blood
And I got Storm in my heart
Tearing me apart
Storm in my heart
About you
About you And I still wonder
As I lie on my bed
Can I hear thunder
Or am I confused
With what lies ahead
And I got
Storm in my heart
Tearing me apart
Storm in my heart
About you
About you
About you
Yes she Storm me out
