

# War (Hidden)

## Frankie Goes to Hollywood

Oh no-there's got to be a better way  
Say it again  
There's got to be a better way-yeah  
What is it good for? (war)Man has a sense for the discovery of beauty  
How rich is the world for one who makes you for us to show  
Beauty must have power over man, warAfter the end of the war I want to devote myself  
To my thoughts for five to ten years and to writing them down  
War has caused unrest among the younger generation  
Induction then destruction, who wants to die?  
Wars come and go what remains are only the values of cultureThen of course there is revolutionary love  
Love of comrades fighting for the people and love of people  
Not an abstract people but people one meets and works with  
When Che Guevara taught of love being  
At the center of revolutionary endeavor, he meant bothFor people like Che or George Jackson or Malcolm X  
Love was the prime mover of their struggle  
That love cost them their lives, love coupled with a man's pride  
Love coupled with a man's pride  
Give it to you on top, nowWar, I despise 'cause it means destruction of innocent lives  
War, means tears to thousands of mothers how  
When their sons go off to fight and lose their livesI said, war, good god, now, what is it good for?  
Absolutely, nothing  
Say it again, war, what is it good for?  
Absolutely, nothing, listen to me  
War, it ain't nothing but a heart breaker  
War, friend only to the undertaker, war(War, war, war, war)  
War, what is it good for?  
Absolutely nothing  
Say it, war, good god now, what is it good for?  
Absolutely nothing, say it, (war)Oh no, there's got to be a better way  
Say it again, there's got to be a better way  
Yeah, what is it good for?  
War, what is it good for?
