High

Dope

HighWhat mood is that you wear this time Why do you get high To change the seat your in In time you won't come back again What mood is that you wear this time Why do you get high To change the seat your in In time you won't come back againHigh High High High High HighMake light of the weight Time off from hell I could be in These are the words you say What mood is that you wear this time Why do you get high to change the seat and complicate thingsHigh (x6)What does it take to get you high

What will it take to get me high
What does it take to get us high
Whatever it takes to get you highHigh
HighYou don't like me when i'm high
High
