The Show

Steve Hackett

Yes, I'm such a simple man
Just book me on the flight
Every day's another place
Playing into the nightAnd you can't unwind
You're wrecked before the show
Everything's fine when you feel that
'Johnny go go go' - go goWill you play tonight for me?
Promise I'll do my best
Yes, rock music should be free
Money's worth less and lessAnd the walls should be cracked
Four red faces make a noise
All dressed in black
I can't tell if they are girls or boys, or boysWill you play tonight for me?
Promise I'll do my best
Yes, rock music should be free
Money's worth less and lessAnd the walls should be cracked
Four red faces make a noise
All dressed in black
I can't tell if they are girls or boys, or boys, or boys
