

# Afterwhile (Feat. Yolanda Adams)

**Kirk Franklin**

[Chorus]

After a while, after a while

This too shall pass

After a while

Scars will heal, you'll love again

It won't hurt you after a while

It won't hurt after a while Stuck between if and when

You pray and tried

But still no end

God's purpose soon you'll understand

It won't hurt you after a while

It won't hurt you after a while [Chorus] So when the pain has come to an end

And now your heart is whole again

Help someone who needs to know

That it won't hurt them after a while

It won't hurt them after a while

It won't hurt them after a while
