Fat Bottomed Girls

Casey Abrams

Are you gonna take me home tonight
Oh, down beside that red fire light
Are you gonna let it all hang out
Fat bottomed girls make the rocking world go 'round

I was just a skinny lad
Never knew no good from bad
I knew life before I left my nursery
Left alone with big, fat Fanny
She was such a naughty nanny
Big woman, you made a bad boy out of me

C'mon!

Are you gonna take me home tonight
Oh, down beside that red fire light
Are you gonna let it all hang out
Fat bottomed girls make the rocking world go 'round

I've been singing with my band
Across the wire, across the land
I've seen every blue eyed floozy along the way
But their beauty and their style
Went kind of smooth after awhile
Take me to them naughty ladies every time

Are you gonna take me home tonight
Oh, down beside that red fire light
Are you gonna let it all hang out
Fat bottomed girls make the rocking world go 'round

Get on your backs and ride, now

Hey, listen here!

I've got mortgages on homes
I've got stiffness in my bones
Ain't no beauty queens in this locality
But I still got my pleasure
Still got my greatest treasure

Heap big woman, you made a big man out of me

C'mon!

Are you gonna take me home tonight
Oh, down beside that red fire light
Are you gonna let it all hang out
Fat bottomed girls make the rocking world go 'round
Yeah, fat bottomed girls make the rocking world go 'round

Are you gonna take me home tonight
Oh, down beside that red fire light
Are you gonna let it all hang out
Fat bottomed girls make the rocking world go 'round
