Murder

The Crystal Method

GoYou know it's hard
You know it's my gun
You know it's hard
You know it's my gun
You know it's hard
You know it's my gun
You know it's hard
You know it's my gun, my gun, my gun, my gunThere's a killer on the street
She's moving from house to house
There's a murder over there
He's bleedin' from heart to mouthOne time where you're hiding's when she met ya
Two times she knows you won't forget her
Three times do anything to fuck her
Last time, last time, last time ya dead before the morningYou know it's hard
You know it's my gun
You know it's hard
You know it's my gun
You know it's hard
You know it's my gun
You know it's hard
You know it's my gunGoThere's a killer on the street
She's moving from house to house
There's a murder over there
He's bleedin' from heart to mouthOne time
Two times
One time
Two timesOne time where you're hiding's when she met ya
Two times she knows you won't forget her
Three times do anything to fuck her
Last time ya dead before the morningOne time where you're hiding's when she met ya
Two times she knows you won't forget her
Three times do anything to fuck her
Last time ya dead before the morningYou know it's hard
You know it's hard
You know it's hard
You know it's my gun, my gunYou know it's hard
You know it's my gun
You know it's hard
You know it's my gun

You know it's hard
You know it's my gun
You know it's hard
You know it's my gunThere's a killer on the street
She's moving from house to house
There's a murder over there
He's bleedin' from heart to mouth
