Sex Type Thing

Stone Temple Pilots

I am, I am, I am
I said, "I wanna get next to you"
I said, "I gonna get close to you"
You wouldn't want me, have to hurt you too, hurt you too
I ain't, I ain't, I ain't
A buyin' into your apathy
I'm gonna learn ya my philosophy
You wanna know about atrocity, atrocity?
I know you want what's on my mind
I know you like what's on my mind
I know it eats you up inside
I know, you know, you know, you know
I am a man, a man
I'll give ya somethin' that you won't forget
I said, "Ya shouldn't have worn that dress"
I said, "Ya shouldn't have worn that dress, worn that dress"
I know you want what's on my mind
I know you like what's on my mind
I know it eats you up inside
I know, you know, you know, you know
Here I come, I come, I come, I come
Here I come, I come, I come
I am, I am, I am
I said, "I wanna get next to you"
I said, "I gonna get close to you"
You wouldn't want me, have to hurt you too, hurt you too
I know you want what's on my mind
I know you like what's on my mind
I know it eats you up inside
I know, you know, you know, you know
I know you want what's on my mind
I know you like what's on my mind
I know it eats you up inside
I know, you know, you know, you know
Here I come, I come, I come, I come
Here I come, I come, I come
Come on
Here I come, I come, I come, I come
Here I come, I come, I come, I come

Here I come, I come, I come, I come
Here I come, I come, I come, I come
Here I come, I come, I come, I come
Here I come, I come, I come, I come
Here I come, I come, I come, I come
