

# Crazy People

## The Boswell Sisters

Crazy people, crazy people  
Crazy people like me go crazy over people like you  
Goofy people, daffy people  
Daffy people like me go crazy over things you do. When we are under the moon  
The moon above  
You got me actin' just like a loony  
It must be love, sweet love Crazy people, crazy people  
Crazy people like me go crazy over people like you, bah!... Crazy people like people like you  
Crazy people like the things you do When we are under the moon, the moon above,  
You got me actin' just like a loon,  
It must be love!  
Crazy people, like people, like you...
