

# Deuce

## Kiss

Get up  
And get your grandma outta here  
Pick up  
Old Jim is workin' hard this year  
Baby  
Do the things I says to doBaby, if you're feeling good  
Baby, if you're feeling nice  
You know your man is workin' hard  
He's worth a deuceHoney  
Don't push your man behind his years  
Baby  
Stop cryin' all your tears  
Baby  
Do the things I says to do, do itBaby, if you're feeling good  
Yes, baby, if you're feeling nice  
You know your man is workin' hard  
He's worth a deuceBaby, if you're feeling good  
Yes, baby, if you're feeling nice  
You know your man is workin' hard  
I wanna hear you, yeah
