

Lifeline

Papa Roach

When I was a boy
I didn't care about a thing
It was me and this world and a broken dream
I was blaming myself
For all that was goin' wrong I was way out there
On the wrong side of town
And the ones that I loved
I started pushing 'em out
Then I realized
That it was all my fault I've been looking for a lifeline
For what seems like a lifetime
I'm drowning in the pain
Breaking down again
Looking for a lifeline So I put out my hand
And I asked for some help
We tore down the walls I built around myself
I was struck by the light
And I fell to the ground I've been looking for a lifeline
For what seems like a lifetime
I'm drowning in the pain
Breaking down again
Looking for a lifeline Is there anybody out there?
Can you pull me from this ocean of despair?
I'm drowning in the pain
Breaking down again
Looking for a lifeline You know a heart of gold
Won't take you all the way
And in a world so cold
It's hard to keep the faith
I'm never gonna fade away! Yeah! I've been looking for a lifeline
(I've been looking for a lifeline)
For what seems like a lifetime
(For what seems like a lifetime)
I'm drowning in the pain
Breaking down again
Looking for a lifeline Is there anybody out there?
(Is there anybody out there?)
Can you pull me from this ocean of despair?
I'm drowning in the pain

Breaking down again
Looking for a lifeline
