Paralyzed

Godflesh

From birth to death, just a slave,
From birth to death, what am I,I can't believe in myself,
I can't see past myself,Why should I fight [???],
why should I fight, turn my back,
Nothing can hurt me if its not real,From birth to death, it's all the sameFrom birth to death, just a slave,Nothing can hurt me if it's not real,
From birth to death, what am I,From birth to death, I'm just the same
