Tennessee Valentine

Amy LaVere

Would you be my Tennessee valentine
Hold me close and call me dear
On more time
We'll waltz in the moonlight
and kiss beneath the pines
Would you be my Tennessee valentineHeart to heart
Hand in hand
I love your sweet harmony
We slipped out of tune
Way too soon
I'm still trying to find the keySo would you be my Tennessee valentine
Hold me close and call me dear
On more time
We'll waltz in the moonlight
and kiss beneath the pines
Would you be my Tennessee valentineI loved you then
I love you now
I pray that you will be mine
You hold the key
To my melody
A song that is just for you and meSo would you be my Tennessee valentine
Hold me close and call me dear
On more time
We'll waltz in the moonlight
and kiss beneath the pines
Would you be my Tennessee valentine
