I Wish I Was the Moon

Neko Case

Chimney falls and lovers blaze Thought that I was young Now I've freezing hands and bloodless veins As numb as I've becomeI'm so tired I wish I was the moon tonightLast night I dreamt I had forgotten my name 'Cause I sold my soul But awoke just the sameI'm so lonely I wish I was the moon tonightGod blessed me, I'm a free man With no place free to go I'm paralyzed and collared-tight No pills for what I fearThis is crazy I wish I was the moon tonightChimney falls as lovers blaze I thought that I was young Now I've freezing hands, bloodless veins As numb as I've becomeI'm so tired I wish I was the moon tonightHow will you know if you found me at last 'Cause I'll be the one Be the one, be the one With my heart in my lapI'm so tired, I'm so tired And I wish I was the moon tonightI'm so tired, I'm so tired And I wish I was the moon I'm so tired, I'm so tired
