

# Still Loving You

## Sonata Arctica

Time, it needs time to remake your love again  
I will be there, I will be there  
Love, only love can remake your love again  
I will be there, I will be there Fight, baby why? To win back your love again  
I will be there, I will be there  
Love, only love can break down the walls someday  
I will be there, I will be there If we'd go again all the way from the start  
I will try to change things that killed our love  
Your pride has built the wall so strong that I can't get through  
Is there really no chance to start once again?  
I'm loving you Try, baby, try to trust in my love again  
I will be there, I will be there  
Love, our love just shouldn't be thrown away  
I will be there, I will be there If we'd go again all the way from the start  
I will try to change things that killed our love  
Your pride has built the wall so strong that I can't get through  
Is there really no chance to start once again? If we'd go again all the way from the start  
I will try to change things that killed our love  
Yes I hurt your pride and I know what you been through  
You should give me a chance, this can't be the end I'm still loving you  
I'm still loving you  
I'm still loving you I'm still loving you  
I'm still loving you  
I'm still loving you
