

The Music Is the Magic

Abbey Lincoln

The music is the magic of a secret world,
secret world, a secret world.
It's a world that is always within. The music is the magic and the hiding place
The hiding place, the hiding place
The music is the magic and the hiding place
It's a place where the spirit is home. The music is the magic of a sacred world,
sacred world, a sacred world.
The music is the magic of a sacred world,
It's a world that is always within. The music is the magic through a raging storm
a raging storm, raging storm
The music is the magic through the raging storm
The storm that is over again. The music is the magic of a sacred world,
sacred world, a sacred world.
The music is the magic of a sacred world,
It's a world that is always within.
