Private Wars

Primal Scream

Fill your heart with love
Ease your heart of rage
Make your life an open book
The choice is yours to makeThorns grown in your heart
Poisoned from the start
Angry still at everyone
Time to let it goTry to make a change
Try to break the chains
You've been inside yourself too long
Death in all you taste
Fill your heart with love
Ease your heart of rage
Make your life an open book
The choice is yours to make
