Poet or Sinner

Catman Cohen

You knew me when I built monsters
Before the days when you bled
You knew me when I surrendered
To the nightmares in my headYou were just a child
Nothing's ever changed
I see the child in you
Like some eternal flameCome take my hand
Share my lonely dinner
Tell me if you think
I'm a poet or sinnerPoet or sinner
Tell me what I am
Poet or sinner
Be the angel who canRaise the dead
While marshmallow dreams
Drown in the tideChange my world
With the taste of ruin
Flowing from my eyesTurn back time
Soaked in the bubbles
Of our reckless livesPoet or sinner?
Don't know what I amYou knew me when I fought demons
In your tangled hair
You knew me when I marked you
With my stain of despairYou were just a child
Nothing's ever changed
I see the child in you
Like some eternal flameAll I know
I'll love you in shadows
'Til the sun disappearsAll I know
I'll love you in shadows
'Till His light reappearsPoet or sinner?
Don't know what I am
