

# Play It Like It Used to Be

Alvin Lee

Well if you want my love, better be good to me  
Well if you want my lovin', baby better be good to me  
Won't you give it to me baby, lovin' like it ought to be Well if you treat me right, baby I'll be good to you  
Yes, if you treat me right - baby, baby I'll be good to you  
And if you don't want my lovin', you know what you can do Well - go tell Madonna, she don't do nothin' for me  
I love that rock and roll music, play it like it used to be Well if you need anything, baby just call on me  
Well if you need anything - baby, baby won't you call on me  
I got time for you, I hope you got time for me  
Well - go tell Madonna, she don't do nothin' for me  
I love that rock and roll music, play it like it used to be Well - go tell Madonna, she don't do nothin' for me  
I want that rock and roll music, play it like it used to be Well if you want my love, better be good to me  
Well if you want my lovin', baby better be good to me  
Won't you give it to me baby, lovin' like it ought to be Well - go tell Madonna, she don't do nothin' for me  
I want that rock and roll music, play it like it used to be  
Well - go tell Madonna, she don't do nothin' for me  
I want that rock and roll music, play it like it used to be I want that rock and roll music, play it like it used to be  
Give me that rock and roll music, play it like it used to be
