

# Swallow

## So Does Your Mother

Swallow

Take the trash of my mind  
Swallow it all in one time

Be my centipede  
Satisfaction is guaranteed

Tweet and post my words  
Go and let them be heard

Taste my neural juice  
You'll be sated as a french goose

Swallow the Shallow  
Of our brains

Come on be my pot  
The dog is the boss

Unleash me in your head  
I'm gonna vomit everywhere

Swallow the Shallow  
Of our brains
