

Blinded by the Light

Manfred Mann

Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Madman drummers bummers
Indians in the summer with a teenage diplomat
In the dumps with the mumps as the adolescent pumps
His way into his hat
With a boulder on my shoulder
Feeling kinda older, I tripped the merry-go-round
With this very unpleasing, sneezing and wheezing
The calliope crashed to the ground
The calliope crashed to the ground
But she was
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Some silicone sister with a manager mister
Told me I got what it takes
She said "I'll turn you on, Sonny, to something strong
Play the song with the funky break"
And go-cart Mozart was checking out the weather chart
To see if it was safe outside
And little early-pearly came by in his Curly-wurly
And asked me if I needed a ride
Asked me if I needed a ride
But she was
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light
She got down but she never got tired
She's gonna make it through the night
She's gonna make it through the night
But, mama, that's where the fun is
But, mama, that's where the fun is
Mama always told me not to look into the eye's of the sun
But, mama, that's where the fun is
Some brimstone baritone anticyclone rolling stone
Preacher from the east

Says, "dethrone the Dictaphone, hit it in it's funny bone
That's where they expect it least"
And some new-mown chaperone was standing in the corner
Watching the young girls dance
And some fresh-sown moonstone was messing with his frozen zone
Reminding him of romance
The calliope crashed to the groundBut she was
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the light, revved up like a deuce
Another runner in the night
Blinded by the lightShe got down but she never got tired
She's gonna make it through the night
