

# Don't Go Out Into The Rain (you're Going To Melt)

## Herman's Hermits

Don't go out in the rain you're gonna melt, sugar  
Oh no come and sit down near the fire for a spell, sugar  
Oh woe please take your shoes off and make yourself comfortable  
The weather's miserable and you're so kissable

(It's getting late) why don't you wait  
(It's after one) we've just begun  
Please take your shoes off and make yourself comfortable  
The weather's miserable and you're so kissable

The house is ours now that everybody's gone  
And while the telly's on we could be having fun  
It's getting late, why don't you wait  
(It's after one) we've just begun  
(I've gotta go) no, no, no, no

Don't be insane, don't go, please don't go  
Don't go  
It's getting late, why don't you wait

(It's after one) we've just begun  
(I've gotta go) no, no, no, no  
Please don't wait
