Love to give Seen her again at All Star weekend, she ain't have tickets  
And she ain't into hoopers, she was there to kick it  
With her roommate who was a video vixen  
Spend so much on outfits she's about to get evicted  
Said "I'm married to this rap shit, looking for a mistress"  
You can be by my side like Flavor and Delicious  
Long as you ain't scared of the kitchen and the dishes

Love to give  
Time revolve, we fell in love as crazy as Nas  
And them broads was textin cuz I stop calling them  
I met the parents, watch the game with her father and  
Questions of marriage and I start dodging them  
What happen to me happens to lots of men  
Get deep in love and then your needing some oxygen  
As far as wives I was thinking like Solomon  
She said "there you go, breakin my heart again!" Surely you'll break my heart but I'll be there beside you  
(She said "Don't break my heart")  
Surely you'll break my heart but I'll be there beside you
