

# #1Nite (One Night) [feat. My Name Is Kay]

## Cobra Starship

We're in the spot right now  
Checking it out  
Got from all the wallets, going down no doubt  
Got girls to my left, drinks to my right  
How can doubt it, this is gon' be one of them nights  
Whatever you need is on the dance floor  
Can't wait anymore because it don't last forever  
No-oh whoa  
So turn up that spotlight, and tear it up like we got one night  
'Cause tomorrow morning, we'll be leaving  
So right now you better jump, ride it  
Tomorrow morning, we'll be leaving  
So let's keep it rocking til daylight  
Gotta live like we got one night, one night, one night  
Gotta live like we got one night, one night, one night  
'Cause you know we just got one life, one life, one life  
Gotta live like we got one night, one night, one night  
I got one hand up  
The other on you, you  
Got me in a spell ya, girl the way you move  
Tomorrow ain't real, tonight is all truth  
Gonna have you screaming out, gotta make you say, ooh, ooh, ooh  
We're falling in love on the dance floor  
Girl, you and me we'll make this last forever  
The future is so bright  
Gonna live it up like got one night  
'Cause tomorrow morning, we'll be leaving  
So right now you better jump, ride it  
Tomorrow morning, we'll be leaving  
So let's keep it rocking til daylight  
Gotta live like we got one night, one night, one night  
Gotta live like we got one night, one night, one night  
'Cause you know we just got one life, one life, one life  
Gotta live like we got one night, one night, one night  
'Cause tomorrow morning, we'll be leaving  
So right now you better jump, ride it  
Tomorrow morning, we'll be leaving  
So let's keep it rocking til daylight  
Gotta live like we got one night, one night, one night  
Gotta live like we got one night, one night, one night  
'Cause you know we just got one life, one life, one life  
Gotta live like we got one night, one night, one night  
Gotta live like we got one night, one night, one night  
'Cause you know we just got one life, one life, one life  
Gotta live like we got one night, one night, one night
