

# Love Won't Wait

Gary Barlow

When I first saw your face  
I knew that I could not hesitate  
You said 'Baby, don't go too fast'  
If we do then it may not last  
Time went on and I waited for you  
I didn't know what else I could do  
I thought that we'd always be together  
You said 'Hold on it just gets better'

And I believed you, I kept holding on  
You think that I can never leaved you  
You think I'm not that strong, you're wrong

Love won't wait  
Forever and a day  
Love must live in the here and now  
Don't ask me how I know

So here I am with my heart on my sleeves  
You said, 'Baby put your trust in me'  
But I've come to the end of the line  
And you've wasted up all of my precious time  
Wanted to be something special to you  
Everybody is somebody's fool  
Won't be a fool, no you've got me all wrong  
You don't know what you had till it's gone

love takes time  
But you've been taking too long  
Time never waited for anyone  
Don't wait too long or I'll be gone  
Don't wait too long or I'll be gone  
I'll be gone

That was an empty thing that I wouldn't do  
You led me on, you even said 'I love you'  
How can we go on when it's tearing up apart  
Are you going to break my heart  
Cause I believed you
