Freedom Denied

Total Chaos

There's a man in the abck
He wants to get you on smack
Your first impression he's insane
But now he's trying to get your mind
Smackman - he wants your freedom
Smackman - You freedom is denied
Now you try your first dose
Now he's got you for the most
Your body screams out in pain
You think you might go insane
Smackman - he wants your freedom
Smackman - your freedom is denied
Addicted to heroine is no fun
People die one by one
Your body screams out in pain
You do it now you got no brain
Smackman - He wants your freedom
Smackman - Your freedom's denied
Your freedom is denied 'till you're dead
