Diamonds And Rust

Judas Priest

IÂ'll be damned, here comes your ghost again
But thatÂ's not unusual
ItÂ's just that the moon is full
And you decided to call

And here I sit, hand on the telephone
Hearing the voice IÂ'd known
A couple of light years ago
Headed straight for a fall

But we both know what memories can bring
They bring diamonds and rust
Yes we both know what memories can bring
They bring diamonds and rust

Now I see you standing with brown leaves all around and snow in your hair
Now weÂ're smiling out the window of the crummy hotel over washington square
Our breath comes in white clouds, mingles and hangs in the air
Speaking strictly for me we both couldÂ've died then and there

Now youÂ're telling me youÂ're not nostalgic
Then give me another word for it
You were so good with words
And at keeping things vague

Cause I need some of that vagueness now
ItÂ's all come back too clearly, yes, I love you dearly
And if youÂ're offering me diamonds and rust, IÂ've already paid

But we both know what memories can bring
They bring diamonds and rust
Yes we both know what memories can bring
They bring diamonds and rust

Diamonds, diamonds and rust
Diamonds, diamonds and rust
Diamonds, diamonds and rust
Diamonds, diamonds and rust
