

Roadrunner

The Animals

I'm a road runner, honey, beep beep I'm a road runner honey
And you can't keep up with me
I'm a road runner honey
And you can't keep up with me
Come on, baby Hee, hee
You think you're fast honey, eh eh eh eh eh eh
But you ain't gonna last
I got news for you baby
I'm gonna put you down Come on baby, let's go
Hee, hee
I'm the fastest in the land
Yeah I'm a road runner, honey
And you can't keep up with me
I'm a road runner, honey
And you can't keep up with me
Come on, baby Hee hee
Take my hand, honey
I'm gonna prove to you
That I'm a road-runnin' man
I'm gonna put you down I'm a road runner, honey
And you can't keep up with me
I'm a road runner, honey
And you can't keep up with me
Come on, baby
