

You're Not Alone (Synamatix Dubstep Bootleg)

Olive

Your not alone
Open your mind
Surely its time to be with me
In a way its all a matter of time,
I will not worry for you
You'll be just fine
Take my thoughts with you
and when you look behind
You will surely see,
a face that you recognize
[Chorus]
Your not alone
I'll wait 'till the end of time
Open your mind,
surely its plain to see
Your not alone
I'll wait 'till the end of time for you
Open your mind,
surely its time to be with me
It is the distance that makes life a little hard
Two minds that once were close
now so many miles apart
I will not falter though,
I hold on to your hope
Safely back where you belong
And see how our love has grown
[Chorus: x4]
