Sweethearts In Heaven (with Rose Maddox)

Buck Owens

If the angels have sweethearts then I want you for mine
I'd be a tramp and sleep in the street or I'd be a beggar with rags on my feet
If I knew for sure when the time comes to part
Someday in heaven you'd be my sweetheart
Will there be sweethearts in heaven after we've crossed the line
If the angels have sweethearts then I want you for mine
(If I should go first and leave you behind to face life alone bear this in mind
I'll be a waitin' if heaven's my fate
To take you by the hand just inside the pearly gates)
Will there be sweethearts
