Californication

Red Hot Chili Peppers

Psychic spies from China
Try to steal your mind elation
Little girls from Sweden
Dream of silver screen quotations
And if you want these kind of dreams
It's CalifornicationIts the edge of the world
And all of western civilization
The sun may rise in the east
At least it settles in a final location
It's understood that Hollywood
Sells CalifornicationPay your surgeon very well
To break the spell of aging
Celebrity skin is this your chin
Or is it war your wagingFirst born unicorn
Hard core, soft porn
Dream of Californication
Dream of CailfornicationMarry me girl be the fairy to my world
Be my very own constellation
A teenage bride with a baby inside
Getting high on information
And buy me a star on the boulevard
It's CalifornicationSpace may be the final frontier
But it's made in a Hollywood basement
And Cobain can you hear the spheres
Singing songs off station to station
And Alderaan's not far away
It's CalifornicationBorn and raised by those who praise
Control of population
Well, everybody's been there
And I don't mean on vacationFirst born unicorn
Hard core, soft porn
Dream of Californication
Dream of CailfornicationDream of Cailfornication
Dream of CailfornicationDestruction leads to a very rough road
But it also breeds creation
And earthquakes are to a girl's guitar
They are just another good vibration
And tidal waves couldn't save the world
From CalifornicationPay your surgeon very well

To break the spell of aging
Sicker then the rest, there is no test
But this is what you're cravingFirst born unicorn
Hard core, soft porn
Dream of Californication
Dream of CailfornicationDream of Cailfornication
Dream of Cailfornication
