I'm so glad I've found this  
I'm so glad I did  
I'm so glad I've found this  
I'm so glad I did People are fragile things, you should know by now  
Be careful what you put them through  
People are fragile things, you should know by now  
You'll speak when you're spoken to It breaks when you don't force it  
It breaks when you don't try  
It breaks if you don't force it  
It breaks if you don't try People are fragile things, you should know by now  
Be careful what you put them through  
People are fragile things, you should know by now  
You'll speak when you're spoken to With one hand you calm me  
With one hand I'm still  
With one hand you calm me  
With one hand I'm still People are fragile things, you should know by now  
Be careful what you put them through  
People are fragile things, you should know by now  
You'll speak when you're spoken to You'll speak when you're spoken to  
You'll speak when you're spoken to  
He'll speak when he's spoken to  
She'll speak when she's spoken to
