Pride

U2

One man come in the name of love
One man come and go
One man come he to justify
One man to overthrowIn the name of love
What more than the name of love
In the name of love
What more than the name of loveOne man caught on a barbed wire fence
One man he resist
One man washed on an empty beach
One man betrayed with a kissIn the name of love
What more than the name of love
In the name of love
What more than the name of loveEarly morning, April four
Shot rings out in the Memphis sky
Free at last, they answered your lie
They could not take your prideIn the name of love
What more than the name of love
In the name of love
What more than the name of loveIn the name of love
What more than the name of love
In the name of love
What more than the name of love
