

# Cry to Me

Marc Broussard

when your baby  
leaves you all alone  
and nobody  
calls you on the phone  
don't you feel like crying  
don't you feel like crying  
here I am honey  
c'mon  
cry to me  
when your all alone  
In your lonely room  
and there's nothing  
but the smell of her perfume  
don't you feel like crying  
don't you feel like crying  
cry to me  
nothing can be sadder  
than a glass of wine, alone  
you don't have to walk alone  
don't you see  
baby take my hand  
walk with me  
don't you feel like crying  
don't you feel like cry cry cry cry cry  
cry to me
