

# Milk And Toast And Honey

Roxette

Milk and toast and honey make it sunny on a rainy Saturday, he-he-hey  
Milk and toast, some coffee take the stuffiness out of days you hate, you really hate

Slow morning news pass me by  
I try not to analyze but didn't he blow my mind this time  
Didn't he blow my mind

(Here he comes)  
To bring a little lovin', honey  
To take away the hurt inside is everything that matters to me  
Is everything I want in life

Milk and toast and honey  
Ain't it funny how things sometimes look so clear and feel so near  
The dreams I dream, my favorite wishful thinkin'  
Oh he's bookmarked everywhere, everywhere  
True love might fall from the sky  
You never know what to find but didn't he blow my mind this time  
Didn't he blow my mind?

(Here he comes)  
To bring a little lovin', honey  
To take away the pain inside is everything that matters to me  
Is everything I want from life  
(Here he comes)  
Oh lay a little lovin', honey  
To feel you're gettin' close to me is everything that matters to me  
Is everywhere I wanna be

...

...

Oh lay a little lovin', baby baby baby  
To feel you're gettin' close to me is everything that matters to me  
Is everywhere I want to be (bis)
