Handshake

Dinosaur Party

So what became of love in man
and what became of you?
Familiar as you shook my hand,
what was it you meant to do?Because all can change
for one and all
can change in this new day.She said, "The devil will want you back
and you'll never find love in an open hand.
Shut your eyes, so you'll see under,
and know you'll always have this if you stay this man."She said, "The devil will want you back
and you'll never find love in an open hand.
Shut your eyes, so you'll see under,
And know you'll always have this if you stay this man."I lie
This was not for my pride
I know
This was my timeShe said, "The devil will want you back,
and you'll never find love in an open hand
Shut your eyes, so you'll see under
And know you'll always have this if you stay this man."So when nobody will take you back
And you've never found love in an open hand,
shut your eyes, and you'll see under,
and know you'll always have this if you stay this man.
